Hello, everyone! Here's a picture of Uncle Li Bin's farm. In the picture you can see beautiful houses, green grass and trees, and all kinds of animals.

On weekends, my parents and I go to the farm, and this is my favourite weekend activity. My uncle is very happy to see us, and bring out fresh fruit to welcome us. I like helping my uncle feed the animals. There are many babies on the farm: baby chickens, ducks, horses and so on. They are so lovely! My uncle has sheep, cows and rabbits too. Spending the weekend with them is so fun!

Would you like to come together with us on the farm? Join us!

My School, My Home

Good morning, everyone! I'm glad to stand here and give you a short talk. Today my topic is "My school, My home". There are a lot of buildings in our school, including bright classrooms and a modern library. We can borrow many books from the library. And we can also play sports in the playground, such as basketball, tennis and so on. Teachers and classmates are all nice to me. I like them very much. My school is my second home. I love my school. I hope it can be better in the future.

That's all. Thanks for listening!
