Dear Linda,

How's everything going? I'm glad to share my new school rules with you.

We must finish our homework on time. We can't bring mobile phones to school. We had better get about 9 hours' sleep a day. We must read a good book once a week. Doing exercise is also important. We must do exercise for an hour a day. We must keep safe first. We must not fight with each other and never go swimming alone. I think these school rules are good for us. We must follow them.

What about your school rules? Please write to me soon.

Yours,

Li Hua

A Great Trip

During the summer holiday, I went to Sanya with my family. It was a great trip.

On the first day, early in the morning, we went to the beach to watch the sunrise. It was wonderful. After that, I swam in the sea with my dad. And my sister made some sandcastles on the beach. My mum took lots of photos for us. In the evening,

we enjoyed delicious local food. On the following days, we travelled around the city and bought some presents for my grandparents.

I really enjoyed the trip, because I not only got close to nature and relaxed myself, but also spent more time with my family.

Getting Close to Nature

In order to help students know more about farms, get close to nature, and experience labour practices, our school held a farm trip last month.

On that Sunday, we visited Red Star Farm with the help of the guide. After that, we did a lot of work on the farm. We learned to plant peanuts(花生) and tomatoes and pick strawberries. After lunch, we fed chickens and rode horses. We had great fun there and took a lot of beautiful pictures.

We enjoyed the farm trip very much. I think it's very meaningful to learn some basic farming skills and that we should take part in more activities like this. I hope it can be better in the future.
